LETTER UNDER 37 CFR § 1.821(e) and (f)

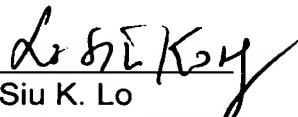

In accordance with 37 CFR 1.821(e), a Sequence Listing in computer readable form for parent application serial number 08/182,248, filed January 14, 1994 was submitted to the Patent and Trademark Office. The present application is a continuation of a U.S. application serial no. 09/232,186, which is a CIP of a U.S. application serial number 08/704,499 which is a 35 U.S.C. 371 of a PCT/US95/00575, which is a continuation of the parent application. The Sequence listing in this new application contains information identical to the computer readable Sequence Listing submitted in connection with parent application.

In accordance with 37 CFR 1.821(f), Applicant herein states that the "Sequence Listing" content of the paper copy (enclosed herewith) and the computer readable copy of the parent application are the same.
